# COMPANY PROFILE

## MISSION

We enhance and create lighting solutions by combining technology and product design; we create long-term relationships with clients and designers by providing excellence in service and high quality.

## VISION

We believe in innovation and technology where designers are supported in the creation of living, working, commercial, recreational and urban spaces with the greatest emotional, functional and well-being values.

Engineering development and research are the basis for the designing of new products.

OUR  
IDENTITY  
CARD

We are a **customer-oriented** company.

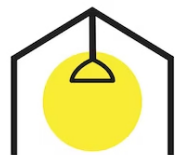

We design and produce **Made in Italy** products, our entire supply chain is in Italy.

We are **ISO 9001:2015** certified and have traceability systems in place.

The company was founded in **January 2012** and the founding members already had 15 years of experience in the sector.

- + 100 product families
- + 150,000 products sold

- + 1,000 projects followed

Our appliances are designed for **Smart** solutions, we have created different projects in urban, residential and district contexts.

We integrate intelligent control systems to achieve comfort and energy savings. We have created **Smart** projects in the school, tertiary and industrial sectors.

We create **customized** lighting solutions upon customer request.

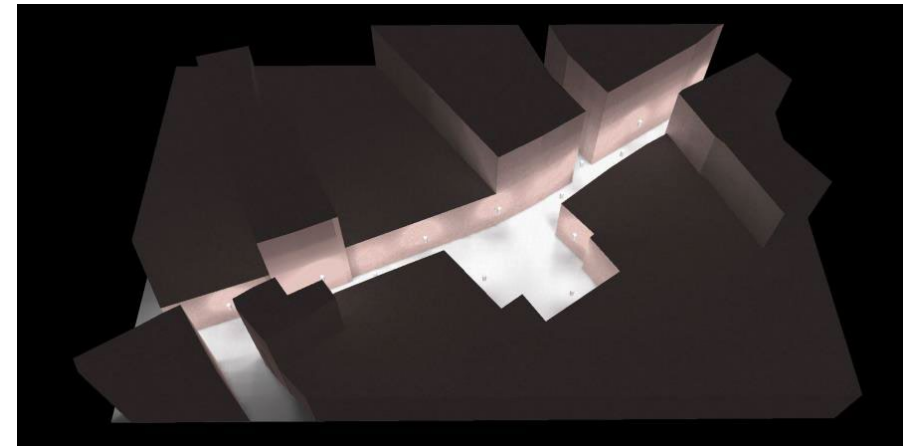

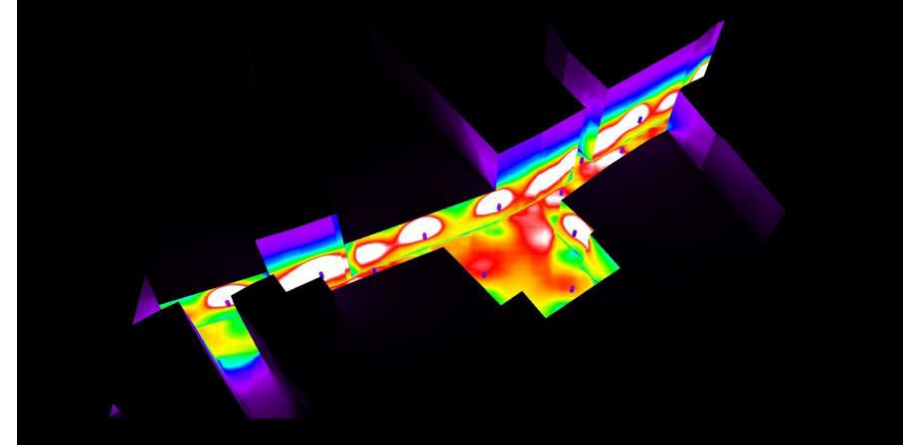

**Lighting design**, creation of specifications, calculations and tender documents.

**Value engineering**, technical and commercial analysis of the project.

Procurement, **project management** and solution delivery services.

### SAMHAN HISTORICAL HOTEL

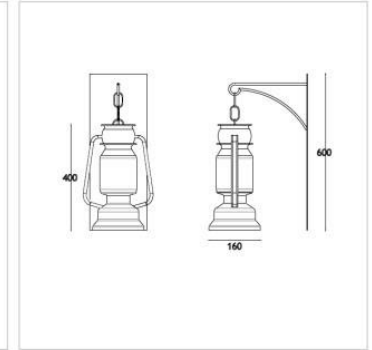

#### LEGEND

TYPE FX27

Urban decoration traditional lantern with wall bracket mounting and LED engine.

Architectural Lighting  
Wall Bracket  
LOCATION  
Local streets

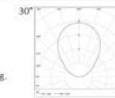

CE  $\nabla$   $\Delta$   $\Sigma$  CLI IP65

#### PRODUCT DESCRIPTION

Suitable for suspended mounting and wall bracket mounting.  
Body made of brass with antique finishing and transparent protecting painting.  
Fixing system to the wall made of TECJ wood (to be v3)  $\square$   $\square$   $\square$   $\square$   
Glass, Murano tempered glasses with special light satin finishing.  
Screws in stainless steel AISI316.  
Bracket made of brass with antique finishing and transparent protecting painting.  
Gasket, Silicon anti-aging.  
LED engine placed in the top side of the lantern, with low glaring system.  
Power supply: dimmable 1-10V.

#### PHOTOMETRY

#### TECHNICAL DATA

Colour temperature	2700 K
Luminous flux	2400 lm
Power supply	20 W
Luminous efficacy	120 lm/W
Colour index	80 CRI
Optics	Semidiffusing, elliptica.
Input	220 - 240 V 50-60 Hz

Central point of the luminaire mounted at 3.1 m high above the ground

All dimensions, materials, finishes, colors, and product wattage will be as to final approved product shop drawings.
